PHS INDIAN HOSPITAL	96	0	federal site, allocated
PLEASANT VALLEY HEALTH CARE CENTER	100	0	Staffing. Because we have to test all employees twice a week, we have to pull administrative staff to do the testing, some employees don't show up for the testing so we have to track them down and wait for them to get here to be tested. The testing is taking too much of our administrative staff's time to do the testing, compile data and report to 4 different agencies. We are not corporate owned and it is taking most of our administrative staff to get this testing completed once a week let alone twice a week.
QUAIL RIDGE LIVING CENTER	49	800	Lack of testing supplies. all tests are on back order everywhere. We are getting low on testing supplies
